CLASS 6   MORAL SCIENCE   CHAPTER 1

1. Answer the following question.
   a. Pick out at least two suitable words from the text which bring out what politeness means. Ans. Respect and courtesy.
   b. The auto driver remained calm throughout the situation. Why do you think that being calm helps you to be polite?
      Ans. Being calm helps us to be polite, as in calm state we can handle the situation much better and we reciprocate correctly to the enquiries.
   c. How did the boy and his parents express their gratitude to the auto driver?
      Ans. They thanked him over and over again to the auto driver. And after few days they located him and gratefully thanked him for his timely help.
   d. Amrit was a rude boy. Pick out at least two instances which bring out Amrit's rudeness.
      Ans. First he rudely pushed the others aside and picked up the cricket bat and said he will bat first. Secondly after scoring a six he called the bowler an idiot.
   e. How did the boys make Amrit begin to feel sad?
      Ans. Boys made Amrit feel sad, as they stopped talking to him. And stopped talking him for games.
   f. What were the changes that came about Amrit when he felt sorry for his rude behavior? Ans. He stopped using rude words while talking. He started helping his friends in their needs.
2. Answer the following question.
   a. Should we be polite only in our word or in our actions too?
      Ans. We must be polite in our words and actions too. For example, if we agree to our friends in word were as our body language or gesture is negative. It's not polite. So it is said that we should be polite in our word as well as in our actions.

Assignment :- Read the story and answer the following questions.

1. Should we be polite to other only if it does not cause us any inconvenience? Are Akshay and the auto driver helpful when they have to go through some trouble?
2. Amrit lost his friends because he was rude. If you were in Amrit's place, how would you ask your friends if you wanted o bat first?
3. If you want to have lots of friends, how should you make it happen?
1.
